Ok so this was the one that was scheduled for May 14 that you cancelled, correct? And you want to host it on July 9th from 8 – 5pm? Just want to make sure I am following.   Can you email me the Application for certification of school again? I can't seem to find it. I really just need the second page so we can cut and paste it on to the website! Thanks!

Jil, we have rescheduled the training and the new date is July 9th, 2013 8-5 pm. The training location remains the same, just a different training room. Do I need to submit anything different for you to post it on the POST website/calendar? Thx. Criselda.
